

The Church of the Holy Communion

Charleston, South Carolina

Preschool Survey

The Church of the Holy Communion will begin a preschool in August/September of 2010. Present plans call for half day sessions with registration available either two, three, or five days a week. We are considering, based on the needs of our community, expanding those sessions to all day, five days a week. Activities, instruction, and care will be appropriate for ages two, three, and four years. Holy Communion Preschool will provide a safe and nurturing place for children in an atmosphere of Christian faith and life, responsive to the needs and concerns of families.

This survey is designed to ascertain interest among MUSC faculty, staff, and students in the Preschool. The Church of the Holy Communion, an Episcopal parish in the Anglo-Catholic tradition, is located at the corner of Ashley Avenue and Cannon Street, 1.5 blocks north of MUSC.

Please answer the following questions to help us identify the needs of our community. Providing this information by **May 15, 2010** would be greatly appreciated.

1. What are the age(s) of the children from your family that you would consider enrolling in a preschool program?
2. Would partial weeks or days work better for your child, or would you prefer five day week?
3. What range of time for beginning and ending the school day would meet your needs?
4. Please tell us what other services/needs you have for your child's preschool?
5. Please provide your name and contact information if you would like to be kept informed about development of the Church of the Holy Communion's preschool.
